

Tuition fee instalments:

Tuition fees are due by the dates shown on the “Due Dates” tab of the [University Student Finance Regulations](#) webpage.

Most students are eligible to pay their fees through our standard instalment plan.

You have the choice either to pay all of your tuition fees for the whole academic year at the start of your course, or to pay using the standard instalment options as follows:

- 50% by the term 1 due date
- 50% by the term 2 due date

Any tuition fee waiver, SLC tuition fee loan, or sponsorship will be offset against the gross tuition fee. You can choose to pay the remaining fee by the standard instalment plan (see above) or in full at the beginning of the academic year.

There is also the option to use the Recurrent Card Payment (RCP) scheme for the standard 2 instalments, a 3 instalment plan (PGT only), or a 6 instalment plan.

UG/PGT/PGR (September/October starters) – Select “Tuition Fees Oct 6 Instalments”:
